This Store Is Ready With But a Single Thought—

to make the selection of Christmas Gifts a matter of ease and real pleasure for every McCreery patron.

And we want to make it plain that this store stands back of two policies at all seasons of the year—"McCreery Quality" and "McCreery Values."

Now when the time for gift buying is at its height we are all the more careful to see that our standard of quality is maintained. So, too, just as we have been able to do so long, every bit of McCreery Merchandise is marked just a bit lower to assure its being an unquestionable "McCreery Value."

The combining of these two policies has brought unlooked-for success to our business methods.

Just at present we are putting all our energy into real Holiday Service and every department has prepared well to save you money on each Christmas purchase.
